About Us

Supak Oil is committed to delivering pure, premium-quality edible oils that enhance the taste and health of every meal. With state-of-the-art processing facilities and stringent quality checks, we ensure every drop is packed with nutrition and flavor. Our dedication to sustainability and innovation drives us to bring you oils that are not only good for your family but also for the environment. Trust Supak for quality you can taste and health you can rely on.

For years, Supak Oil has been a trusted name in households and kitchens, offering a diverse range of oils tailored to meet every culinary need. Whether it's for frying, sauteing, or dressing, our products provide the perfect balance of taste and wellness. We work closely with farmers and suppliers to source the finest raw materials, ensuring that the essence of nature reaches your plate.

Our vision extends beyond just producing edible oils; it's about building a healthier future. We are deeply committed to sustainable practices, from eco-friendly manufacturing processes to packaging that reduces environmental impact. With Jyotirling Foods, you are not just choosing a brand—you are embracing a lifestyle that values health, taste, and sustainability. Together, let's cook up a healthier tomorrow.

Vision

"To be a trusted leader in the edible oil industry by delivering quality, purity, & innovation, ensuring health and happiness for every home we touch."

Mission

Quality Assurance : To produce edible oils that meet the highest standards of quality and safety.

Customer-Centric Approach : To understand and fulfill the evolving needs of our customers with excellence.

Sustain Ability : To adopt environmentally responsible practices that ensure a sustainable future.

Innovation : To continuously improve our processes and products through innovation and technology.

Community Support : To contribute to the well-being and prosperity of the communities we serve.
